**SPECIAL MESSAGE:**

Commission for Patents:

This is a re-transmittal of a Power of Attorney sent to the PTO on December 20, 2004. I understand that a re-transmittal was requested as some information was not readable on the first transmission. Attached is what was originally sent as well as a marked up copy showing the attorney's customer number (#23354) and annotated as being written in by me, Douglas W. Rudy on January 25, 2005. Also, I took this opportunity to delete, by "whiting-out," my name and address as I understand that if both a Customer Number and an address are present the Customer Number will not be entered in the file. I don't intend this marked up copy to replace the Power filed on December 20, 2004 but am trying to provide the PTO with legible information and a correct address (the Customer Number) for this application as per today's request made by the PTO to the inventor.

Respectfully,  
Douglas W. Rudy, Reg. No. 26, 989  
Attorney for Applicant
